

"ROCHDALE OBSERVER," 10/10/34.

" 'A few Admirers,' evidently old Rochdalian, write from New South Wales expressing a wish through the *Observer* to congratulate Miss Gracie Fields on her splendid film acting. 'It does one good to see and hear her,' they say, and they add how much she is liked 'Out here by both English and Australian folk.' "

Miss Fields, Mrs. Bert Aza and Master Aza at Capri.
