*"My home transformed with
this personally-planned
Finch bathroom"*

This bright, gay, modern, labour-saving bathroom was once shabby, draughty and old-fashioned. Finch Bathroom experts made the transformation. Finch's make a speciality of re-planning and re-equipping old bathrooms. You'd be surprised at the miracles they can achieve — and so economically.

Showrooms: Finch Corner, 679-687,
Eastern Ave. (Southend Road), Ilford, Essex.
