Gracie Fields, the famous singing personality, is congratulated by fans after her fine performance at the Fairfield Halls last week.

## Come again soon, Gracie

Sir,—What a lovely article you printed about Gracie Fields. I was at the Fairfield Hall to see Our Gracie. What a marvellous show she gave—certainly a memory I shall treasure all my life.

It was the same Gracie of yesterday; one minute she had us rocking with laughter and the next she would have us near to tears.

May I, through the medium of your columns, wish Gracie all the best of health and happiness in the future. I'm sure I speak for thousands when I say, "Come and see us again real soon and a thousand thanks, Gracie."
