

Gracie Fields and her husband, Boris Alperovici, pause for a moment at the swimming pool of their night-club at Marina Piccola, Capri.

"Our Gracie," as she is known to thousands, lives with Boris, her third husband, at La Canzone Del Mare (The Song of the Sea), their villa at Marina Piccola,

and runs the night-club and pool for the many wealthy foreigners who visit Capri for their holidays.

At the beginning of the year there were rumours around that Gracie, who is now 65, wanted to return to England to live. She flatly denied this, saying the rumour resulted in a misunderstood telephone conversation.
